EXPERIENCE

Junior Advocate January 2026 – Present
District Courts, Family Courts, Labour Courts Anand, Gujarat

Enrolled with the Gujarat Bar Council (AIBE XX); appearing across civil, criminal, family, labour, and consumer forums with a developing focus on cyber and technology-related criminal practice

- **Civil Litigation:** Appeared in execution proceedings (Order 21 CPC — attachment of movable and immovable property, resistance and obstruction applications, third-party claim petitions, Section 47 determinations, garnishee orders); first appeals (Order 41); summary suits (Order 37 — civil-criminal interface with NI Act); injunction enforcement (Order 39, Rule 2A)
- **Criminal Practice:** Appeared in Section 138 NI Act cheque dishonour proceedings and cybercrime complaints; building competence in IT Act 2000 offences, BNS Chapter XI (cyber and communication offences), and digital evidence standards under BSA.
- **Family, Labour & Consumer Forums:** Appeared in maintenance and matrimonial proceedings under PWDV act, labour dispute hearings, and consumer grievance adjudications
- **Procedural Literacy:** Working familiarity with CPC, BNS, BNSS, and BSA with particular attention to electronic records, admissibility of digital evidence, and arrest and investigation procedure in cyber offences
- **Chambers:** Drafting of interlocutory applications, affidavits, complaints, and written statements; legal research on procedural questions, client counselling.
- **ADR:** Assisted in arbitration proceedings and court-referred mediation and settlement processes

Legal Freelancer — Contract Drafting & Compliance Counselling August 2025 – Present

- Drafted NDAs and SaaS agreements focusing on data protection, liability allocation, and commercial risk
- Supported dispute prevention and resolution through careful contract drafting and risk allocation
- Guided clients through PF refund processes, ensuring procedural compliance and timely submissions

Volunteer — Not Your Babe (Berlin-based startup, tech & digital safety) October 2025 – Present
Tech & Digital Safety Startup Berlin, Germany

- Drafted the platform's Privacy Policy and Terms of Service implementing GDPR-compliant data-protection principles, consent mechanisms, retention standards, and safety guidelines
- Early-stage startup legal risk review, compliance, product due diligence, and product counsel

UPSC Civil Services Preparation (Full-Time) 2023 – 2025

Attempted 3 prelims

- **Constitutional & Administrative Law:** Gained depth in foundational public law, strengthening legal reasoning across regulatory and rights-based frameworks

- **Ethics & Economics:** Trained to analyse complex issues balancing moral aspects, policy choices, and economic trade-offs
- **Science & Technology:** Developed a practice of tracking technological change with systems thinking
- **Discipline & Self-Accountability:** Maintained a rigorous 10-11 hour/day preparation cycle; built strong planning and time-management skills

SOCIAL IMPACT INITIATIVE

DigiBodh — Founder & Lead Facilitator

January 2026 – Present

Multilingual cyber safety awareness initiative

Gujarat

- Founded and leads a multilingual (English/Hindi/Gujarati) community initiative focused on cyber safety education and digital literacy across demographic groups including senior citizens, students, and first-time internet users
- Developing behavioural framework as the core curriculum asset, a structured decision-making model for recognising and responding to online fraud and digital threats

Anand Silent Book Club & Anand Board Game Club — Community Organiser and Volunteer

Present

Fostering community literacy and social cohesion

Anand, Gujarat

- Volunteer and host of weekly silent reading sessions and community events
- Editor of [The Quiet Letter](#), a weekly newsletter archiving reading culture, contributor reflections, and community writing.
- Facilitated Dungeons & Dragons sessions for members, introducing collaborative storytelling and tabletop roleplay as a community engagement format

INDEPENDENT WRITING & RESEARCH

[Morrow](#) — Author

Digital Rights, Technology & Society

- Published long-form essays and commentary analysing privacy, AI, user consent, online platforms, and technology's impact on society, generating **1,000+ reads** annually on Substack
- Recent issues: personality rights, artificial bonding, religion and social media, posthumous digital assets under DPDPA, and prediction markets

[sankhiniwrites](#) — Poetry & Reflective Writing
